**Re: New Bus Route**

Dear Ms. Edgar,

A new transportation option will soon be available in your neighborhood. ABQ Ride is unveiling the new #777 Rapid Ride Green Line on August 15, 2009. Rapid Ride is faster than traditional local bus service because of the limited stops. We hope every resident from your community will be able to make use of the Rapid Ride Green Line.

The Rapid Ride Green Line will run from Tramway and Central to the Downtown Alvarado Transportation Center. The Green Line will overlap the traditional Red Line from Louisiana and Central to Downtown and will overlap the Westside Blue Line at UNM on Central Ave.

A map with all our Rapid Ride routes and changes is posted on our website at [www.cabq.gov/transit](http://www.cabq.gov/transit). For more information on ABQ Ride and how to plan your trip call 311 or visit our website.

Thank you and we hope you will take advantage of this new mode of transportation. We'll see you on the Green Line!

Best Regards,

Greg Payne  
Director, ABQ RIDE
